

REMARKS

Claims 1-17 are pending in this application; claims 1 and 9 are independent claims. In the Office Action dated June 15, 2009, the Examiner has rejected pending claims 1-17 based, in part, on newly cited reference US Patent No. 6,751,446 to Kim et al. ("Kim 3"). On September 15, 2009, Applicant submitted a response that is incorporated herein in its entirety.

On October 2, 2009, the undersigned counsel conducted a telephone interview with the Examiner to discuss the rejections in the June 15, 2009, Office Action and Applicant's September 15, 2009 response. Applicant and the Examiner discussed the prior art, including Kim 3. Based on the Interview, Applicant has amended claims 1 and 9 to further describe the "face" as a "front face." It is respectfully submitted that the amendments to claims 1 and 9 place all pending claims, claims 1-17, in condition for allowance. Applicant thanks the Examiner for the Interview and the opportunity to discuss the prior art and further amendments.

For the foregoing reasons, and for the reasons articulated in Applicant's prior response, which is incorporated herein, Applicant respectfully submits claims 1-17 are now allowable over the cited prior art. Payment of the appropriate fees, if any, and/or granting of the appropriate extension is requested, and the Commissioner is directed to debit our deposit account, Account No. 50-0675, Order No. 848075/0060, for the amounts required.

Respectfully submitted,

Date: October 8, 2009
